Nevada Department of Taxation  
3850 Arrowhead Dr  
Carson City, NV 89706

Eureka County \_\_\_\_\_ herewith submits the (TENTATIVE) budget for the  
fiscal year ending June 30, 2026

This budget contains 14 funds, including Debt Service, requiring property tax revenues totaling \$ 19,287,222

The property tax rates computed herein are based on preliminary data. If the final state computed revenue limitation permits, the tax rate will be increased by an amount not to exceed 1%. If the final computation requires, the tax rate will be lowered.

This budget contains 25 governmental fund types with estimated expenditures of \$ 48,253,210 and  
proprietary funds with estimated expenses of \$ \_\_\_\_\_

Copies of this budget have been filed for public record and inspection in the offices enumerated in NRS 354.596 (Local Government Budget and Finance Act).

## CERTIFICATION

I Kimberly Todd  
(Print Name)  
Comptroller

(Title)

certify that all applicable funds and financial operations of this Local Government are listed herein

Schedule 1

**EUREKA COUNTY GENERAL FUND**  
**BUDGET MESSAGE AND**  
**ENDING FUND BALANCE EXPLANATION**

The projected fund balance of the General Fund for the year ending June 30, 2026 is \$26,699,283. The projected revenue for the General Fund is \$25,558,875. The projected expenditure for the General Fund is \$29,312,710. The County has allocated \$.6370 of the current tax rate to the General Fund.

The General Fund's ending fund balance will ensure that the local government has enough funds to meet expenditures in the first quarter of the new fiscal year, help finance future capital improvements, and to stabilize the county's ability to survive fluctuating gold prices. Eureka County experienced a major flooding event in the Spring 2023, and we are still having to spend funds on recovery efforts to mitigate damage and flood control. This will continue for the next year and with the uncertainty of the expenses being paid back to Eureka County, this expense will be budgeted for the next year. There is also a major paving and water/sewer line project budgeted for Eureka County over the next few years and the General Fund will transfer funds to assist in the expense of this major project.

Over ninety percent of Eureka County's assessed valuation is tied to two mining companies and sixty one percent of the County's assessed valuation is Net Proceeds of Mines. The volatility of Net Proceeds of Mines revenues continues, however we have seen an increase with the rise in gold prices the past few years.

The ending fund balance for the Road Fund is \$2,284,278. These funds provide the future means to maintain, repair, and pave the estimated 1,891 miles of road in Eureka County. The County also allocated \$.09 of the current tax rate to the Road Fund. There have been some major equipment purchases in the Road Fund over the past few years which has depleted the ending fund balance. The General Fund will transfer \$1,000,000 to this fund in order to support capital outlay purchases.

The ending fund balance for the Regional Transportation Commission Fund is \$10,055,427. The County also allocated \$.20 of the current tax rate to the Regional Transportation Fund. The County will also transfer in \$4,000,000 from the General Fund to help fund a major paving project which began in 2023. The County-wide paving project is expected to last for five years.

The ending fund balance for the Capital Improvement Fund is projected to be \$6,585,681. There is a line item reflecting a grant of \$16,000 from the Capital Improvement Fund, \$7,000 goes to the Town of Crescent Valley and \$9,000 goes to the Eureka Town. These grants to the two town funds are mandated by NRS 354.59815. The County allocated \$.05 of the current tax rate to this fund.

The Future Reserve Fund is a mitigation fund provided by NRS 362.171. The projected fund balance for the Future Reserve Fund is \$12,359,009. The Future Reserve Fund will aid the County and its taxpayers in the effort to provide a "grace period" to absorb the financial impact of any negative financial condition associated with the gold market. These funds will also help keep Eureka County's tax rate at the lowest level in the State of Nevada. This low tax rate has benefited the State of Nevada for over 25 years since over sixty percent of all net proceeds of mines tax goes to the State of Nevada General Fund and not Eureka County. The County allocated 0.0005 of the current tax rate to this fund.

The Retiree Health Insurance Premium Fund was added to Eureka County FY 2014 Final Budget. The ending fund balance will be used for the long term GASB 45 liability. The General Fund will transfer \$500,000 to this fund to help support the liability of retiree health insurance.

The ending fund balance projection for the Agricultural Extension Fund is \$437,206. The tax rate allocated for the Agricultural Extension Fund is \$.01. The ending fund balance will help finance future Agricultural Extension activities and capital improvement projects. This fund has budgeted a donation to the Boys and Girls Club of Nevada in the amount of \$800,000.

The ending fund balance projection for the Agricultural District #15 is \$310,309. This County allocated \$.0050 of the current tax rate for this fiscal year.

The Building Reserve Fund ending fund balance is \$3,713,292 and this fund will provide long-term maintenance, repair, remodeling, and construction of county owned structures. Eureka County has recently had some major repair projects come out of this fund to help mitigate the decline of County buildings. The County allocated \$.03 of the current tax rate to this fund.

The Recreation Fund and the Tourism Fund provide for the long-term needs of both funds. The Recreation Board allocated the funds received by room taxes to cover expenditure.

The Water Mitigation Fund was allocated \$.02 of the current tax rate. This ad valorem revenue will fund the long-term water planning issues in Eureka County. These funds will be used to explore test wells in Eureka County that can eventually help support our municipal water systems if a viable source is located. The Natural Resource Multiple Use Fund was allocated \$.0050 to aid Natural Resource issues faced by Eureka County.

The ending fund balances for the Eureka County Indigent Fund and Eureka County Hospital Indigent Fund are to help fund most of the indigent requirements of Eureka County. The requirements of budgetary increases for Indigent expenses are included in these budgeted expenditures.

The Landfill Fund will provide for the long-term expansion, repairs and operation of the County Landfill. The county has allocated \$.0700 of the current tax rate to this fund. The ending fund balance is projected to be \$4,460,856.

Since the creation of Eureka County in 1873, it has had a repetitive history of boom-and-bust cycles. The basic intent of all ending fund balances for Eureka County entities is for the long-term benefit of the Eureka County citizens and businesses. The long-term financial management of Eureka County also significantly benefits the State of Nevada funds since Eureka County exports sixty percent of Net Proceeds of Mines revenues, Eureka County exports over 5,000 mining related jobs, and Eureka County is an exporter of sales tax to the State of Nevada. Eureka County will continue to fund major capital outlay projects while the price of gold is high and our communities can benefit from the Net Proceeds of Mines.
